Review: Horowitz does a great job identifying a problem which has been largely ignored. This is that an unelected Supreme Court has become a super legislature dictating social policy in America. It does this by giving itself the power to override any law it doesn't like enacted by elected representatives in Congress, the elected legislatures of the states, or...

Description: We are confronted with a jarring reality that the Left has succeeded in growing the power of the courts. Obama has replaced roughly 30 percent of the district and appellate judges on the federal benches. We are now facing a judicial time bomb, the likes of which we've never seen before. With the Obergefell v. Hodges ruling the courts have usurped the...
